

CARBONDALE AREA SCHOOL DISTRICT

SECTION: PUPILS

TITLE: STUDENT WELLNESS

ADOPTED: September 11, 2006

REVISED: June 13, 2007

246. STUDENT WELLNESS	
<p>1. Purpose</p>	<p>Carbondale Area School District recognizes that student wellness and proper nutrition are related to students' physical well-being, growth, development, and readiness to learn. The Board is committed to providing a school environment that promotes student wellness, proper nutrition, nutrition education, and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices that can improve student achievement.</p>
<p>2. Authority 42 U.S.C. Sec. 1751 nt</p>	<p>To ensure the health and well-being of all students, the Board establishes that the district shall provide to students:</p> <ol style="list-style-type: none"> 1. A comprehensive nutrition program consistent with federal and state requirements. 2. Access at reasonable cost to foods and beverages that meet established nutritional guidelines. 3. Physical education courses and opportunities for developmentally appropriate physical activity during the school day. 4. Curriculum and programs for grades K-12 that are designed to educate students about proper nutrition and lifelong physical activity, in accordance with State Board of Education curriculum regulations and academic standards.
<p>3. Delegation of Responsibility Pol. 808</p>	<p>The Superintendent or designee shall be responsible to monitor district schools, programs, and curriculum to ensure compliance with this policy, related policies and established guidelines or administrative regulations.</p> <p>Each building principal or designee shall report to the Superintendent regarding compliance in his/her school.</p> <p>Staff members responsible for programs related to student wellness shall report to the Superintendent regarding the status of such programs.</p>

<p>42 U.S.C. Sec. 1751 nt</p> <p>4. Guidelines</p>	<p>The Superintendent shall report to the Board on the district’s compliance with law and policies related to student wellness. The report may include:</p> <ol style="list-style-type: none"> 1. Assessment of school environment regarding student wellness issues. 2. Evaluation of food services program. 3. Review of all foods and beverages sold in schools for compliance with established nutrition guidelines. 4. Listing of activities and programs conducted to promote nutrition and physical activity. 5. Recommendations for policy and/or program revisions. 6. Suggestions for improvement in specific areas. 7. Feedback received from district staff, students, parents/guardians, community members and Wellness Committee. <p>An assurance that district guidelines for reimbursable meals are not less restrictive than regulations and guidelines issued for schools in accordance with federal law shall be provided annually by the Food Service Director or Business Manager.</p> <p><u>Wellness Committee</u></p> <p>The Board shall appoint a Wellness Committee comprised of at least one (1) of each of the following: School Board member, district administrator, district food service representative, student, parent/guardian, member of the public, teacher, school nurse, school counselor, coach, classified staff, dietician, health professional, representative of community organization, food vendor and other individuals chosen by the Board.</p> <p>The Wellness Committee shall serve as an advisory committee regarding student health issues and shall be responsible for developing a Student Wellness Policy that complies with law to recommend to the Board for adoption.</p> <p>The Wellness Committee may examine related research and laws, assess student needs and the current school environment, review existing Board policies and administrative regulations, and raise awareness about student health issues. The Wellness Committee may make policy recommendations to the Board related to other health issues necessary to promote student wellness.</p>
--	---

<p>Pol. 1513 Pol. 102, 105</p>	<p>The Wellness Committee may survey parents/guardians and/or students; conduct community forums or focus groups; collaborate with appropriate community agencies and organizations; and engage in similar activities, within the budget established for these purposes.</p> <p>The Wellness Committee shall provide periodic reports to the Superintendent or designee regarding the status of its work, as required.</p> <p><u>Nutrition Education</u></p> <p>The goal of nutrition education is to teach, encourage and support healthy eating by students. Promoting student health and nutrition enhances readiness for learning and increases student achievement.</p> <p>Nutrition education will be provided within the sequential, comprehensive health education program in accordance with State Board of Education curriculum regulations and the academic standards for Health, Safety and Physical Education, and Family and Consumer Sciences.</p> <p>Nutrition education shall provide all students with the knowledge and skills needed to lead healthy lives.</p> <p>Nutrition education lessons and activities shall be age-appropriate.</p> <p>Nutrition education shall be integrated into other subjects to complement but not replace academic standards based on nutrition education.</p> <p>District staff may cooperate with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.</p> <p>Consistent nutrition messages may be disseminated throughout the district, schools, classrooms, cafeterias, homes, community and media.</p> <p>Nutrition education may extend beyond the school environment by engaging and involving families and communities.</p> <p><u>Physical Activity</u></p> <p>District schools shall strive to provide opportunities for developmentally appropriate physical activity during the school day for all students.</p>
------------------------------------	--

District schools shall determine how they will contribute to the effort to provide students opportunities to accumulate at least sixty (60) minutes of age-appropriate physical activity on all or most days of the week. That time will include physical activity outside the school environment, such as outdoor play at home, sports, etc.

Age-appropriate physical activity opportunities, such as recess; before and after school; during lunch; clubs; intramurals; and interscholastic athletics, shall be provided to meet the needs and interests of all students, in addition to planned physical education.

A physical and social environment that encourages safe and enjoyable activity for all students shall be maintained.

After-school programs shall provide developmentally appropriate physical activity for participating children.

District schools may partner with parents/guardians and community members to institute programs that support physical activity.

Physical activity shall not be used as a form of punishment.

Students and the community may have access to physical activity facilities outside school hours.

Physical Education

Quality physical education instruction that promotes lifelong physical activity and provides instruction in the skills and knowledge necessary for lifelong participation shall be provided.

Physical education classes shall be the means through which all students learn, practice and are assessed on developmentally appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.

Adequate amounts of planned instruction shall be provided in order for students to achieve the proficient level for the Health, Safety and Physical Education academic standards.

Safe and adequate equipment, facilities and resources shall be provided for physical education courses.

Physical education shall be taught by certified health and physical education teachers.

Other School Based Activities

District schools shall provide adequate space, as defined by the district, for eating and serving school meals.

Students shall be provided a clean and safe meal environment.

Students shall be provided adequate time to eat: ten (10) minutes sit down time for breakfast; twenty (20) minutes sit down time for lunch.

Drinking water shall be available at all meal periods and throughout the school day.

Students shall have access to hand washing or sanitizing before meals and snacks.

Nutrition professionals who meet criteria established by the district shall administer the school meals program.

Access to the food service operation shall be limited to authorized staff.

Nutrition content of school meals shall be available to students and parents/guardians.

Students and parents/guardians may be involved in menu selections through various means.

To the extent possible, the district shall utilize available funding and outside programs to enhance student wellness.

Food shall not be used in the schools as a reward or punishment.

The district shall provide appropriate training to all staff on the components of the Student Wellness Policy.

Goals of the Student Wellness Policy shall be considered in planning all school based activities.

Fundraising projects submitted for approval shall be supportive of healthy eating and student wellness.

Administrators, teachers, food service personnel, students, parents/guardians, and community members shall be encouraged to serve as positive role models through district programs, communications and outreach efforts.

<p>SC 1337.1</p>	<p>The district shall support the efforts of parents/guardians to provide a healthy diet and daily physical activity for children by communicating relevant information through various methods.</p> <p><u>Nutrition Guidelines</u></p> <p>All foods available in district schools during the school day shall be offered to students with consideration for promoting student health and reducing childhood obesity.</p> <p>Foods provided through the National School Lunch or School Breakfast Programs shall comply with federal nutrition standards under the School Meals Initiative.</p> <p>Competitive foods are defined as foods offered at school other than through the National School Lunch or School Breakfast Programs and include a la carte foods, snacks and beverages; vending food, snacks and beverages; school store food, snacks and beverages; fundraisers; classroom parties; holiday celebrations; and food from home.</p> <p>All competitive foods available to students in district schools shall comply with the Nutritional Standards for Competitive Foods in Pennsylvania Schools. The nutritional standards shall be implemented as a two (2) year plan.</p> <p><u>Safe Routes To School</u></p> <p>The district shall assess and, to the extent possible, implement improvements to make walking and biking to school safer and easier for students.</p> <p>The district shall cooperate with local municipalities, public safety agency, police departments, and community organizations to develop and maintain safe routes to school.</p> <p>District administrators shall seek and utilize available federal and state funding for safe routes to school, when appropriate.</p>
